

Website Structure: Content Providers

Introduction Pages

ABOUT THIS PAGE

This page shows the overall structure of the website for content providers.
The Home sections are directly accessible from the main menu.
The publis array are accessible without a login.

CONTENT PROVIDERS

Has collection of digital music they are selling for proffecional usage and distribution by third parties. DigiRAMP provides a collection of features that works nicely together

MANAGE CONTENT

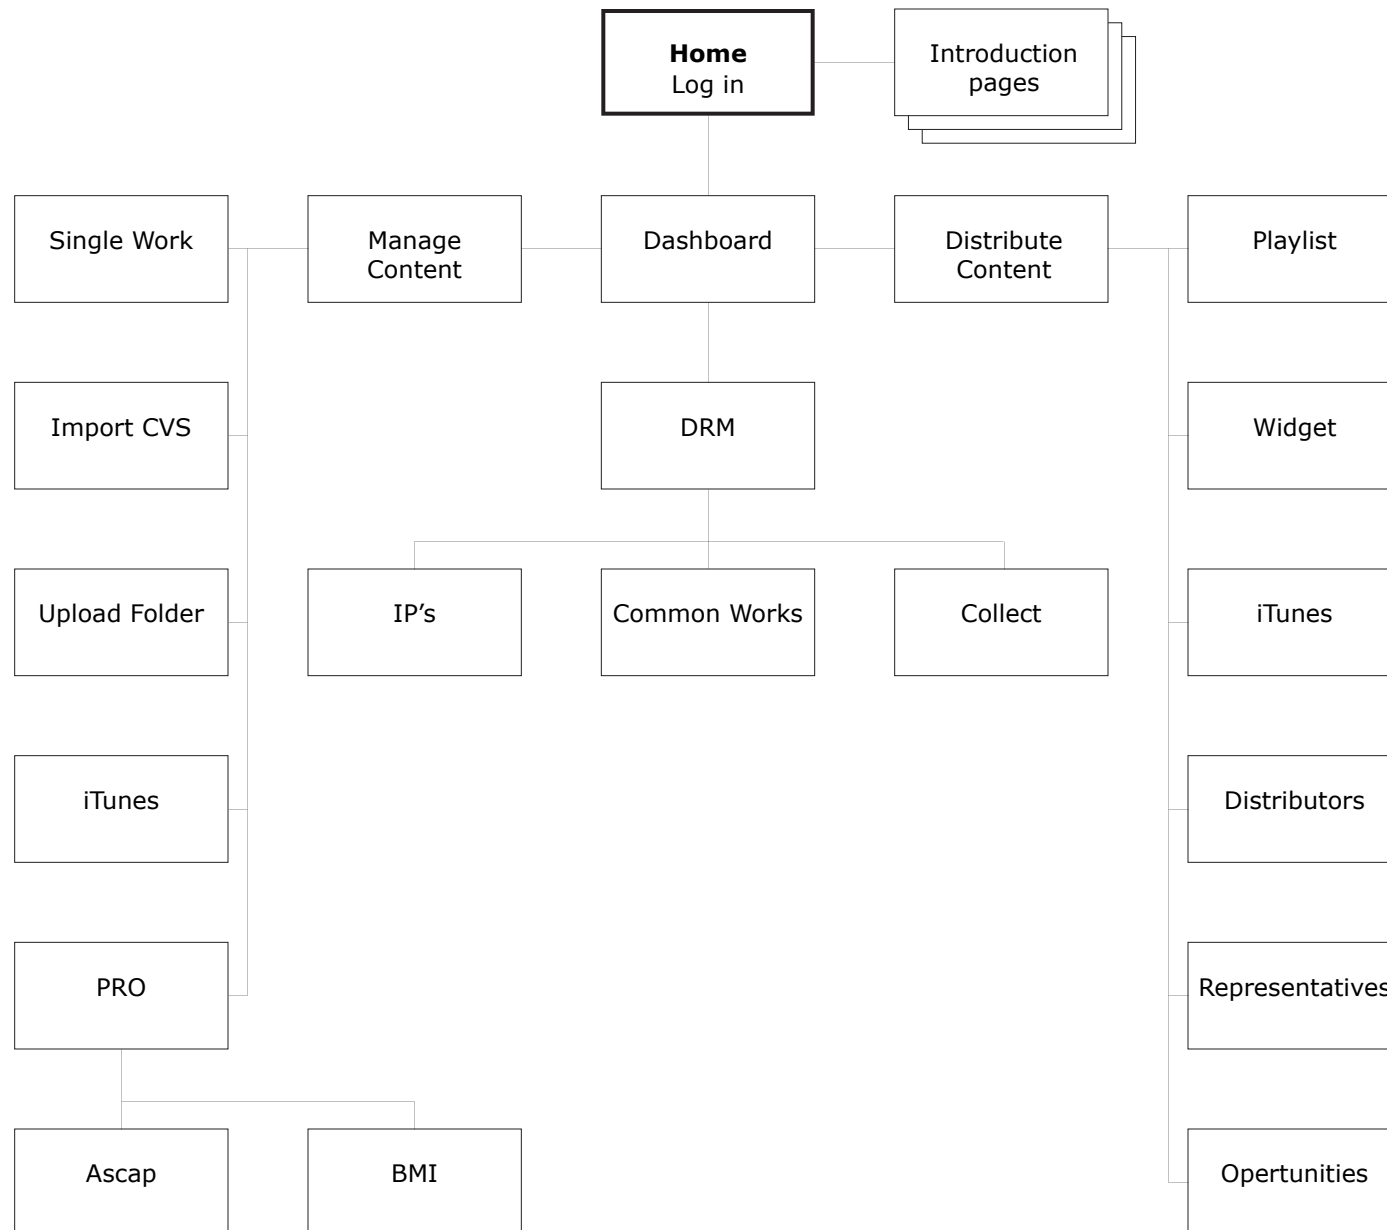

The most important feature provided by DigiRamp is management of content. Production files. Contracts. Artwork. Remixes are organized so they are easealy found and readdy for sale and distribute.

DRM

When content are distributed proffecionaly rights has to be cleared. This is where DigiRAMP becomes handy by organizing informations about IP's. Common works and collection om payments from Performance rights organizations, Distributors and repre-sentatives.

DISTRIBUTION

Content are organized as individual works with all rellevant informations about IP's
Works can be aggregated in collections witch can be handled ovre to a variaty of channels for distribution

IMPORT SINGLE WORK

Introduction Pages

ABOUT THIS PAGE

On this page the user can tag their work. If an mp3 file was uploaded in step 1 the tags will already be here

TAGS

When someone search the system the tags will be used, I 100% of the tags match it's a god match. If only 10% match it's a not so good match, so there is no gain in adding all tags to a work.

DESCRIPTION

The description can be shown on search results, and be used on widgets, and for SEO

Lyrics

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me.
Oh, yesterday came suddenly

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday
